^a Hawaiian as defined by the U.S. Bureau of the Census. Note: For Census 2000, the question on race was revised to allow respondents the option to self-identify themselves by selecting one or more races to indicate their racial identities. The table uses the "alone or in any combination" totals.

^b Hawaiian as defined by the Hawai'i Health Survey. The Hawai'i Health Survey examined the ancestry of the parents of each individual as provided by that individual. Racial background of each individual is based on the racial composition of his parents. Note: The data is based on a sample and is subject to sampling variability.
