<sup>1</sup> Excludes home schoolers and students who earned high school diplomas through the General Education Development (GED) examination.

<sup>2</sup> Entering freshmen only. <sup>3</sup> Includes all regular first-time students; excludes specials (early admits).

Note: The "going rate" is the percentage of "recent" high school graduates from Hawai'i public and private high schools entering the University of Hawaii campuses in a given fall semester. "Recent" high school graduates are those who completed high school in the school year immediately preceding enrollment in post-secondary education."
